**MEMORANDUM OF COOPERATION BETWEEN THE SEZIONE DI GEOLOGIA PLANETARIA OF THE SOCIETÀ GEOLOGICA ITALIANA AND COMISIÓN DE GEOLOGÍA PLANETARIA OF THE SOCIEDAD GEOLÓGICA DE ESPAÑA**

This memorandum involves cooperation between the Sezione di Geologia Planetaria (SGP) of the Società Geologica Italiana and Comisión de Geología Planetaria (CGP) of the Sociedad Geológica de España to promote:

1. The collaboration on joint educational opportunities, student programs and professional services;
2. The exchange of information and dissemination of planetary geology themes;
3. The co-organization of joint meetings or sessions to promote the research and dissemination of planetary geology subjects;
4. The exchange of information on key programs and initiatives in the frame of planetary sciences.

In recognition of mutual interests among their members and sharing of common goals and objectives of each organization, the SGP and CGP plan mutual cooperation under the following terms:

1. Neither organization shall have any financial obligation to the other;
2. Coordinators of both organizations shall seek collaborations including exchange of announcements of the meetings of their respective organizations
3. Coordinators of each organization can meet annually for the purpose of considering and making recommendations to the respective organizations regarding area of cooperation

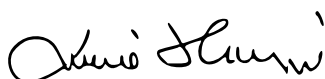

This memorandum shall be reviewed every three (3) years. This cooperation may be dissolved by either organization at any time with 30 days written notice to the executive office of either organization.
