

ECORD Summer Schools and Scholarships 2020

Posted by Hanno KINKEL | Apr 22, 2020 | News

Dear All,

We regret to inform you that all three of the 2020 ECORD Summer Schools (Leicester, Urbino and Bremen) have been cancelled due to the COVID-19 pandemic and its impacts on current and future travelling and group activities.

Consequently, there will be no ECORD Scholarships awarded in 2020.

We apologise to all of you who have already engaged in the scholarship scheme and submitted applications, but we hope you'll be in a position to resubmit them next year when a new call for applications will be issued.

We would like to thank the organisers of the Summer Schools for their efforts in setting them up, and we are optimistic that we will be able to return to normality in 2021 with an exciting programme of ECORD training activities.

Hanno Kinkel (ESSAC Science Coordinator & Antony Morris (ESSAC Chair)
