

# 1st Earth Sciences webinars cycle

Frontiers in Geosciences hosted @UniPG

**Paolo Tarolli** Università di Padova

## The Geomorphology of Life

*September, 30 – 5 p.m. CET*

**Department of Physics and Geology, University of Perugia**

Professor in Integrated Watershed Management and Water Resources Management and Principal Investigator of Earth Surface Processes and Society research group at University of Padova (Italy), Paolo Tarolli is Deputy President of the Natural Hazards Division of the European Geosciences Union (EGU) and Vice President of the 7th section (Information and Communication Technologies) of the Italian Association of Agricultural Engineering (AIIA). He is expert in digital terrain analysis, earth surface processes analysis, natural hazards, geomorphology, hydro-geomorphology, lidar, structure-from-motion photogrammetry; new research directions include the analysis of topographic signatures and impact of human activities, focusing on agricultural landscapes & land degradation. He is ranked in the list of 100,000 top world's most cited scientists.
